

MARMONTE BEACH LEAGUE ELITE - 2026

About –

The Marmonte Beach League Elite series is a tier of play that started a few years ago, which is offered to the top varsity players in the league. The MB Elite series is separate from the regular season tournaments and playoffs, and will not interfere with any of those events.

The Elite series is a similar concept to an All-Star team, where the league director & coaches will invite the prospective top individual players (not pairs) in the league to a tryout. From there, the top 32 individual players will be selected to compete in the Elite series, with a possible list of alternates to be named as well.

These 32 (or so) players will then have a one-day, three-hour clinic, to prepare themselves for the Elite competition. The clinics will include drills, instruction and a mini tournament. Following the clinic will be two other Elite tournaments, where players will compete individually in King-of-The-Beach style tournaments, with a variety of players from different clubs. This allows these Elite players to get an opportunity to compete with and against the best players in the league, while pushing themselves and improving their skills.

DO YOU HAVE WHAT IT TAKES TO BE ELITE?!?!

Elite Tryouts –

Date – Monday **August 3rd**, 2026, from 9:00-11:00am
Cost – **FREE**
Participation – Invitation ONLY (*see attached list*), please confirm your attendance
